Professional Summary

Expert WordPress Developer specializing in crafting high-performance, complex dynamic solutions with over 5 years of experience. I lead a dedicated 5-member team to deliver agency-level quality, focusing on plugin-less, lightweight custom PHP and CSS solutions. Expert in Elementor Pro, WooCommerce, Crocoblock (JetEngine), and seamless CRM integrations (like HubSpot). Proven track record of delivering specialized systems, including custom subscription models and booking platforms for global clients on Fiverr and Upwork.
